CIRCULAR ORDER No. 5 of 1924.

CRIMINAL.

It having been brought to the notice of the High Court that considerable inconvenience is caused to the Government Telegraph Check Office, Calcutta, in consequence of clerks attached thereto being summoned from time to time by criminal courts to attend those Courts to produce draft messages and to give evidence in cases in which draft messages are required for examination, the following instructions are issued for the guidance of the subordinate criminal courts:—

(a) Section 95 of the Code of Criminal Procedure lays down the procedure in regard to the production of Post office or Telegraph office records before courts of criminal jurisdiction. Sub-section (3) of section 94 of the Code expressly exempts letters, telegrams and parcels in the custody of the Postal or Telegraph authorities from the operation of sub-sections (1) and (2) of that section and a Court desiring the production of any such letter or telegram must proceed under section 95. The intention of this section appears to be that an officer should be deputed by the court concerned to the office where such letter or telegram may be, and that the Postal or Telegraph authorities should be directed to make over the document to the officer so deputed, who will then be in a position to prove that the document was produced from the custody of the Postal or Telegraph authorities.

(b) The attendance of Telegraph office clerks should be required only if they are in a position to prove the handwriting of the message or otherwise identify the writer or person who handed it in for transmission or to give material evidence on other relevant matters which cannot be proved from other sources.

(SURPLUS STORES.)

Sindia, the 24th April 1924.

RESOLUTION.

The work connected with the disposal of surplus stores on behalf of His Majesty's Government (Disposal and Liquidation Commission) is now being closed down. The work was started in 1919 by the establishment of an organization for the disposal of surplus textile stores, and the organization was expanded from time to time to meet changing requirements, until it eventually comprised a staff which dealt with the disposal not only of textiles but of engineering stores, medical stores, food-stuffs, and numerous other stores of a miscellaneous character. Three main depôts for the sale of stores were established, namely at Bombay, Calcutta and Lahore; each of these depôts was in charge of a Controller of Sales under the authority of the Chief Controller (Surplus Stores); the Controllers of Sales and their staffs were assisted by Sales Committees, composed of non-official gentlemen who assisted the Controllers with their advice in the pricing of the stores, and in the methods of disposal. In regard to textile piece-goods and yarn, Mr. N. E. Saklatwala, C.I.E., of Messrs. Tata Sons, Limited, acted as Honorary Adviser to the Surplus Stores Organization from its commencement in 1919 until April 1922, when the disposal of textiles had so advanced, and the work in which his assistance was required had so diminished, that, on Mr. Saklatwala's own suggestion, he was relieved of his duties. The total sales effected at the three centres realized a sum of over eight crores of rupees.

2. Now that the work has been completed and the depôts have been closed, the Government of India desire to place on record their acknowledgment of the valuable help rendered by the non-official gentlemen, who placed their services at the disposal of Government, and the public spirit with which they devoted so much of their time to the work. They desire in particular to convey their appreciation of the assistance rendered by Mr. Saklatwala in the disposal of textile stores, and by the non-official gentlemen named below who served on the Sales Committees for a prolonged period :—

The main burden has fallen on his successor Mr. A. H. Ley, C.I.E. The tact, judgment and experience which Mr. Ley brought to his difficult task and his great industry have in the opinion of the Government of India contributed materially to the success of the operations and their expeditious termination.

The Chief Controller (Surplus Stores), in conveying his appreciation of the services of the official staff under his control, has brought to the particular attention of Government the valuable work done by Mr. D. E. Keatinge, one time Controller of Sales, Lahore, Controller of Sales, Calcutta, and lately Deputy Chief Controller (Surplus Stores), and by Mr. P. N. Mukherji, Controller of Surplus Stores Accounts. The Government of India have noticed with pleasure his appreciation of their services.

MEDICAL COLLEGE OF BENGAL.

Rules for the guidance of students seeking admission.

1. Two classes of students are admitted for study in the College—

(a) "Regular," or those who enter for the full University course.

The admission to this class is restricted to students (male and female) who are natives of, or whose parents are domiciled in, the area within the territorial limits of the Calcutta University, and the provinces of Bihar and Orissa, Assam and Central Provinces, and those who come out of the Dacca or the Rangoon University as provided for in rule 5.

(b) "Military Class" (only students of European or Eurasian parentage are admitted to this class). (See separate prospectus for Military students.)

The admission to this class is regulated by the Director-General, Indian Medical Service.

2. The minimum preliminary qualification for admission to the (a) "Regular Class" is the Pass certificate of the I. Sc. Examination of the Calcutta University with Physics and Chemistry or any Examination equivalent to it.

3. The session commences on the 15th June.

4. All new students must apply for admission to the Principal, Medical College, Calcutta, in the prescribed form available in this office, on or before the 25th May, except in the case of Biharis, Uriyas, Chota Nagpuris and Assamese students, who should apply to the Inspectors-General of Civil Hospitals of their respective provinces for admission within such date as the latter may prescribe. Students who come out of the Dacca and the Rangoon Universities and the candidates from the Central Provinces should apply to the Director of Public Instruction of the respective provinces.

Selected candidates must pay the following fees within the time prescribed by the Principal, failing which their names will be struck off the selected list :—

	Rs. A.			
Admission fee	20 0
Fees for Summer term	62 8
Athletic Club fee	2 0
Total	84 8

5. The number of Regular students to be admitted each year is generally 120, but the Principal may, at his discretion, increase or decrease this number. Preference for admission will usually be given to candidates who have superior qualifications, but the final selection lies entirely with the Principal.

One-fourth of the total number to be admitted shall be Muhammadans. Twelve candidates will be nominated by the Inspector-General of Civil Hospitals of Bihar and Orissa, one by the Government of Central Provinces and six candidates by the Inspector-General of Civil Hospitals of Assam, six candidates of the Dacca University by the Director of Public Instruction, Bengal, and two of the Rangoon University by the Director of Public Instruction, Burma. These candidates must possess the qualifications mentioned in rule 2(a). In addition, the Bihar and Orissa Government will nominate six scholars, who must have passed the I. Sc. Examination with Physics and Chemistry. These nominations must reach the Principal, Medical College, Calcutta, before the 10th June in each year, failing which the Principal will fill up vacancies with local candidates.

6. (a) Female students will be admitted to the College provided they possess the requisite preliminary qualification, and provided there is a vacancy in the Surnomoyee Hostel in which all female students must reside.

(b) Female students belonging to provinces other than Bengal will have to pay rents for their seats in the Surnomoyee Hostel.

7. Failed students must apply for admission and pay fee within a week from the date of the publication of their results, otherwise their prior claim lapses.

8. All Regular students must pay an annual fee of Rs. 125 in two instalments, viz., Rs. 62-8 for the Summer term and Rs. 62-8 for the winter term. They must also pay the annual Athletic Club fee of Rs. 2 along with their fees for Summer term. Fees once paid cannot be refunded.

9. The fees for each term are to be paid in one instalment. Except in the case of new students, the fees for Summer term are due on the 15th June and those for the Winter term on the 1st November, and must be paid on those dates or on such subsequent dates as the Principal may direct, after which a daily fine of annas 4 will be levied along with the fee in each case of default.

10. Female students are not liable to pay the Athletic Club fee.
11. Students relegated to a further course of study after their failure at the Preliminary Scientific M. B. and at the First M. B. Examinations shall pay Rs. 80 for the whole session in one instalment within the time prescribed above.
12. Students who fail at the Final M. B. Examination shall pay fees for the whole session at the following rates in one instalment by the 1st June :—

	Rs.
For one subject	25
For two subjects	50
For three or more subjects	75

13. Students taking up subjects outside the curriculum of the year in which they are studying shall pay Rs. 30 for each subject, including lectures and practical classes.

14. The fees for Casual students or for certificates issued to Regular students leaving the College before completing their study, or for those issued to Military students, shall be Rs. 40 per each course of lectures and practical classes and Rs. 30 for every three months of hospital practice.

15. In calculating the sum to be paid under rule 14 by a Regular student, the amount of College fees paid by him, or in the case of a student enjoying a stipendiary scholarship and free tuition, the amount which would have been paid by him had he been a paying student shall be deducted.

16. The fees payable by a Muhammadan student requiring certificates in the same way will be calculated on the same principle, i.e., he will be allowed a deduction for the full annual fee, half of which has been paid by himself and half by the Mohsin Fund.

17. Students of the Military class requiring certificates in the same way will be required to pay the rate of fees laid down in paragraph 14 for the full curriculum or for such portion as they have attended. No deduction will be made in this case as they are not free students in the sense in which that term is defined in Bengal Government Resolution (Education) No. 601 of the 7th December 1880.

18. The fee for post-graduate students undergoing a course of training in the Pathological, Bacteriological, Physiological or Chemical Laboratory is Rs. 90 for a period not exceeding six months.

19. Holders of scholarships awarded by the Government of Bengal are not required to pay the annual fee of Rs. 125 for the year in which they hold such scholarships. All holders of other scholarships, whether granted by other Local Governments, local bodies, or Dufferin Fund, shall pay the same fees as Regular students.

20. The following are the curricula of the College :—
